Issuing instructions for preliminary action to be taken in connection with the new Municipal Regulation, mofussil towns having a population of over 5,000 are declared eligible to be constituted into a Municipality under the Regulation. Thus there seems to be no objection to Chamrajanagar being constituted into a Municipality as proposed by the President.

The draft proclamation has been revised in this office and may be forwarded to the President for being published in Part II of the Gazette under Sec 8(1) of the Regulation. Draft submitted.

Adding ~~also~~ It is a question for consideration whether Ramasamudra may also be included within municipal limits. The distance between that and Chamarajanagar is stated to be 7½ furlongs and is unoccupied by houses. Sir,

With reference to your docket No of the 30th December 1908, regarding the Constn of Chamarajanagar Town with Ramasamudram into a Municipality under the Municipal Regulation No VII of 1906, I have the honor to state that a declaration defining the boundaries of the new municipality was published in three successive issues of the Mysore Gazette commencing from the 14th January 1909, and that a circular of the same was also made in the place. So far, two petitions from the inhabitants of Ramasamudram objecting to the proposal have been received viz. first is from Subbanna and others, who at

by preferring took objection on the ground that the village would not be properly represented on the Board, but who subsequently withdrew their objection when the Taluk Amildar explained to them that it was not so. The second petition is from one Madappa and others whose objection is that they would be put into much inconvenience for want of manure pits and that they would have to pay house and cart-taxes, if their village be included within the Municipal limits. But when the Taluk Amildar explained to them that the existing village Sanitary Rules alone would be in force and that they have to pay house tax even if their village is not included within the Municipal limits, as it has already been formed into a Union, some of the petitioners were willing to yield, but owing to the instigation of Patil Madappa who is now under suspension, they did not come forward to formally withdraw their objection. The reason assigned by the Taluk Amildar

(10)

Amildar to this act on the part of Inadaffa is that he would close the Cutch office if the village is conver-ted into a Municipality It is reported that the majority of the inhabitants of Ramasamudra are in favor of introduction of a Municipality. The inhabitants of Chamarajanagar have not put forward any objection to the proposal

2 Considering that Ramasamudra had once a Municipality of its own, and that the Village is very close to Chamarajanagar, I recommend that it may be included within the limits of Chama-rajanagar Town and the whole area be formed into a Municipality under the Regulation

3 The file of Vernacular papers ending with the Chamarajanagar Taluk Amildars report No 1140 dated 19 3 09 is herewith submitted
